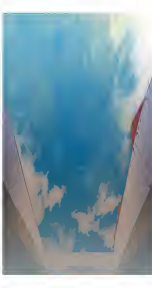
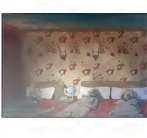
Episode 1_Year 2012, March 3rd.



As soon as I closed my eyes, the smell of the gas became much more apparent.

But I will fall asleep soon...
It won't matter...



I can finally ... go to where she is...

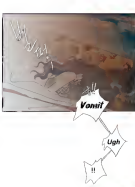
Ye-Eun..., your mom is coming...

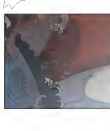
It feels like death...
Yes, death is best served in such dark and deep silence.

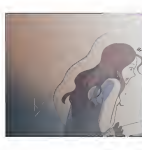
No pain ...

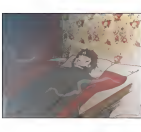
No disturbance....

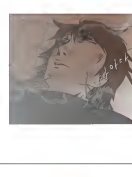
(Vomit)

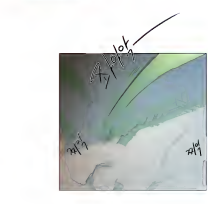


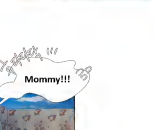


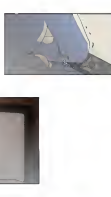


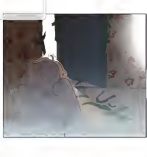






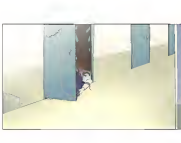






At least ... close the damn door ....

You ... god damn bitch....



Just as my consciousness was
fading away fast, what the announcer said
on TV was clear and vivid to me for some reason.

"Newstime March 3rd, have a nice weekend."

Yes..., March 3rd...

It all began on March 3rd...

Police who got here later.
Kkyack!
My God, the mess...
I feel like I am seeing my wife's bare face after our first night.... Oh, the horror...
